SOURCE Politika, No 13203, 1949.400 GREEK CHILDREN IN SLOVENIA

There are now about 400 Greek children in Slovenia. Four groups of them, accompanied by several Greek women and youth, went to Slovenia between July and September 1948.

Greek-speaking teachers from Macedonia conduct classes which are held regularly in the homes where the young refugees have been installed. About 200 of the children are of preschool age.
